Leading the Three PROs: PROjects, PROgrams and PROfessionals

Location: University of Tennessee, Knoxville or at your location
Duration: 3 Days
Dates: Flexible
Tuition: Please contact us for government prices
Website: http://AandDPortfolio.utk.edu

WHO SHOULD ATTEND:
• Managers responsible for projects, programs, and other professionals
• Professionals wanting to expand their leadership expertise while improving accountability, creativity, and quality of solutions
• Leaders who need to build talented teams, get beyond compromise to reach agreements, and discover creative solutions to existing problems

PROGRAM OVERVIEW
Leading the Three PROs: PROjects, PROgrams and PROfessionals uses interactive learning, individual and team coursework, lectures, and experiential and multi-mode simulations to enhance participant learning.

KEY PARTICIPANT BENEFITS
By enrolling in Leading the Three PROs: PROjects, PROgrams and PROfessionals, you will learn to:
• Identify ways to manage for success
• Understand change and establish expectations
• Develop relationships and reach agreements that work
• Motivate individuals to move in the same direction
• Identify key levers for leading and inspiring people
• Empower teams and implement change

You will leave the course with an individualized action plan for improving and capitalizing on your unique leadership skills.

FACULTY
• Elaine Seat, Ph.D., PE, has over 13 years of experience consulting, teaching, and developing leadership skills for technical professionals. Prior to joining the University of Tennessee, Knoxville, in 1998 as an NSF-appointed professor, she spent over 20 years in industry as an engineer, project and program manager and engineering manager. Seat has her doctorate in sport psychology, emphasis in technical performance, and her master’s and bachelor’s degrees in mechanical engineering.

FACILITIES
This course is offered as a custom course on the UT campus or at your preferred location.
